

An aerial photograph of a residential property. A red outline highlights a large, irregularly shaped lot. The lot is mostly undeveloped, with sparse trees and dry ground. To the left, a paved road runs along the edge of the lot. To the right, there are several large, modern houses with grey roofs and extensive landscaping. In the background, a golf course is visible with green fairways and sand traps. The text "Indian Rock Rd" is written in yellow along the road, and the number "44754" is written in white on the right side of the lot.

**Indian Rock Rd**

**44754**
